supporting new and established brands, designers, artists, models and influencers is the most powerful tool to share and promote their resources. Groovefuldiamond.co.uk is dedicated to an environment where everyone can flourish. Our personal values: Respect: We believe in the power of an open-minded working environment. We find that collaborating with other departments, as well as individual team members, fosters a feeling of respect for the team and their opinions. We believe in creating a space of support and positive pressure to ensure that everyone has the opportunity to see what we are all working on. Respect for women and men: We want to ensure everyone in the studio and across the company has an appreciation for the hardships and sacrifices women and men have had to face to provide for the things that they want, allowing them to be able to create the products and the messages they create. Remain innovative and creative: We hope to always stay updated with what's going on in our industry and therefore invest in new ways to develop new products and messages. We feel that staying tuned to the latest fashion trends is one of the key factors to take your messages and products further. Remain inclusive: We believe that being open and inclusive to different cultures and individuals is a skill that is important to share and learn. We encourage everyone in our community to make the most out of it. Our communication styles We work on a non-verbal communication style, based on an open and honest environment. We want the team to collaborate and make decisions about the common good, rather than face any kind of threats or jealousy
